

July 2010

Classes with Martha Eddy and Movement & Health Experts from the Center for Kinesthetic Education

Private & semi-private sessions, tutoring, neuro-motor evals through movement & play. Ask about infant, toddler and children's small group classes! Find out more about **Moving on Aerobics (MOA)**, a program of dance exercise for breast cancer survivors at www.MovingOnAerobics.org.

Our private developmental movement therapy addresses all types of learning & physical challenges
